PERFORMANCE GUIDELINES FOR JRAY AT PLUMMER AUDITORIUM, MAY 21, 2016

Each participating school is invited to perform on stage at the awards ceremony. Attached is a performance form for you to complete. Minutes allotted for performance will be in accordance with your selection – if you perform one or two musical numbers, you will be given 2 minutes and if you decide to make a cutting of three or more numbers, to create a synopsis/storyline of your production, you will be given 5 minutes. **Please note: Your performance will be timed – you have a 15 second grace period – then the house will go black and our house orchestra (conducted by Vicki Schindele) will begin playing.**

Please prepare a well-rehearsed production, as we want your students to shine. There will be a panel of celebrity judges who will select the best performance of the day – **all** performances will be judged. The school winning the best performance of the day will be presented an engraved trophy entitled the “Showcase Award.” You are not required to perform, so feel free to simply attend and enjoy the day if that is your preference.

COSTUME/DRESS: Actors are to be costumed for their performance. If costumes are not available, please have the students wear appropriate attire (i.e., “business casual”). T-shirts and jeans are discouraged, **UNLESS** it directly relates to the musical production you submitted.

PERFORMANCE: Minimum requirements are to include both song and dance. Five body microphones will be provided for use by the solo artists. Also available will be hanging and standing microphones.
